Activities Week

Don't forget that numbers in **all** workshops are limited so when you get the options slip next week make sure you include your first and second choice!

If we have too many subscribed in one workshop we will draw names out of a hat to decide the pupils who will get that choice.

Activities week – Rap

Skatista and Rapper DJ DMA (aka *Dudu de Morro Agudo*) has been a rapper since 14 years of age. Born and raised in *Morro Agudo* in *Baixa da Fluminense* he discovered through rap a way to

express his feelings and ideas in a constructive and intelligent way. Now he is not only a rapper, but also a writer with a curriculum that stretched from Brazil, France and Chile, with 8 albums and 100s of recorded songs. DMA has performed in a huge variety of audiences including Dilma Rousseff and Sergio Cabral! DMA is also responsible for the project "*O Espaço Enraizados*" which operates as a cultural centre working with Hip Hop and Skate events for adults and children. Until today over 360 children have taken part in activities at the centre, learning about the power and culture of rap.

During our activities week, DMA and his team will take a group of students through an intensive course using his own methodology called #Rap Lab. Students will have the chance to take part in this exclusive opportunity of discussing, experimenting with and creating their own raps over the 4 days of the activities week, the 10th, 11th, 14th and 15th December.

Don't miss out! Places are limited!

We will also be offering a short course in:
